COMMENTS IN SUPPORT OF NOTICE OF PROPOSED RULE MAKING

Starboard Media Foundation, Inc. ("Starboard") by Counsel, and pursuant to Sections 1.415 and 1.420 of the Commission's Rules and the instructions set forth in *In re Amendment of Section 73 202(b), Table of Allotments, FM Broadcast Stations (Various)*, DA 04-963 (Released April 14, 2004), hereby respectfully submits its Comments in support of the above-captioned Notice of Proposed Rule Making (NPRM) for reservation of FM Channel 252C3 at Dallas, Oregon for noncommercial educational (NCE) use.

Starboard supports Northwest Community Radio Project's Petition for reservation of Channel 252C3 at Dallas, Oregon for NCE use. Starboard, as a non-profit organization, has a general interest in reservation of FM Channels for NCE use, and has filed several Petitions of its own for reservation of a number of vacant FM Channels for NCE use. Starboard believes that the proposed reservation of Channel 252C3 at Dallas, Oregon would provide needed, additional noncommercial service to that community and the surrounding service area. Starboard intends file an application for this frequency, if it is reserved for NCE use.

Starboard notes that reservation of this channel was also requested by Dallas, OR Seventh-Day Adventist Church, Radio Bilingue, Inc. and Lifetime Ministries, Inc.. Starboard also supports the Petitions of these entities for reservation of channel for NCE use. The additional requests, together with Starboard's instant Comments, serve to reinforce Northwest Community Radio Project's argument for reservation of this channel for NCE use.

The instant Comments are timely filed prior to the June 7, 2004 deadline for such Comments in support of the reservation.

Accordingly, the foregoing considered, Starboard respectfully requests that the Commission grant the Petition of Northwest Community Radio Project for reservation of Channel 252C3 at Dallas, Oregon for NCE use.

Respectfully submitted,

Starboard Media Foundation, Inc.
